## **Directions to Gulf Terrace Condominium, 4000 Gulf Terrace Drive, Destin FL 32540:**

In Crestview Florida take Highway 85 South to Fort Walton Beach, Where 85 will run into Highway 98. Highway 98 runs east and west. At the stop light where 98 crosses Highway 85, turn left and proceed east. You will cross the Brooks Bridge in a very short distance. The Brooks Bridge will take you over the Intercoastal Waterway and on to Okaloosa Island. Stay on Highway 98 and proceed east. It is now about 5 miles to Destin.

You will know when you are entering Destin as you will go over the East Pass Bridge and enter the City of Destin. Keep going east on Highway 98. The first landmark to look for is a Shopping Center on your left with a Winn Dixie Grocery Store in it. A short distance after the Shopping Center is a large water park called "Big Kahuna's"(on the left), which is less than a quarter mile from the Condominium entrance.

Again on your left, look for a Waffle Hut. The entry to GULF TERRACE is just to the west of the Waffle Hut. Turn left and go north up the GULF TERRACE Driveway. At the gate, you will need to punch in a code to get onto the grounds. The code for the gate as well as other specific instructions will be furnished to you when we confirm your reservation.

I hope that you enjoy your stay. Should you have any questions or concerns feel free to call me.
